## BREW FOR THE CREW

Pop the kettle on, grab the biscuits and hold a tea and coffee morning for our life-saving service.

Dr Jen Hine and Specialist Paramedic John Gamblin

## WHY HOST?

Every day, our team of doctors, dispatchers, pilots and paramedics bring the life-saving skills and equipment of a hospital emergency department to the region's most critically ill and injured patients.

As a charity, we're entirely funded by you. Each mission we attend costs on average £3,320. It's your generous support that makes a difference to thousands of patients who need our help each and every year.

**“Thank you for deciding to host a Brew for the Crew to raise vital funds for our service. Every pound you raise will go towards keeping us flying and saving lives across the region”**

**Specialist Paramedic  
John Gamblin**
